Hi Greg,

All Santa Fe offices are closed due to inclement weather. Allan and I are here, but I'm not sure if Andrew made it to his office. We may need to adjust the agenda if he's not available.

Good Morning Liz,

No problem on the lost voicemail. We're even since I misplaced your email.

Since there's a lot to talk about I thought I'd take a cut at an informal agenda for our meeting today. Let me know if you would like to delete or add anything. Also adding Bob, Andrew, and Alan to the email.
